Deliverable 2.3 User Stories

Kelli Ruddy User Stories:

- As a user, I want to be able to know what drinks my friends have tried.

- As a user, I want to be able to search my list of wines.

- As a user, I want to be able to have a wishlist of drinks I want to try.

Luis Arroyo User Stories:

- As a user, I want to save the changes I made once I logout of my account.

- As a user, I want to have the changes I made still saved when I sign in again.

- As a user, I want to view it as a web application platform.

Chandler Hayes User Stories

- As a user, I want to add new drinks I have tried to a list, so that I can remember them in the

  future.

- As a user, I want to edit entries.

- As a user, I want to have multiple ways to categorize entries.

Connor Schwirian User Stories

- As a user, I want to share my experiences with my friends on social media.

- As a user, I want to search for drinks in my browser based upon my in-app wishlist.

- As a user, I want to be able to easily move drinks from my wishlist to my main list.

Adam Paquette User Stories

- As a user, I want to be able to visually customize my profile.

- As the system, I can send automated recommendations to users.

- As the user, I want to be able to delete entries from the list

- As the user, I want to be able to search for new drinks

	Participation
Adam Paquette	• Contributed to coming up with three user stories. • Put their three user stories on Trello.
Kelli Ruddy	• Contributed to coming up with three user stories. • Put their three user stories on Trello.
Luis Arroyo	• Contributed to coming up with three user stories. • Put their three user stories on Trello.
Chandler Hayes	• Contributed to coming up with three user stories. • Put their three user stories on Trello.
Connor Schwirian	• Contributed to coming up with three user stories. • Put their three user stories on Trello.
